Subject - Acquisition of certain portion of properties for widening the existing Sunkal Farm Road, Bangalore City.

With reference to the Government Notification No.L. 3532/G.M.6-53-42 dated 19th June 1953, authorising me to hear objections under Section 5 (A) Land Acquisition Act, on the above subject, I write to state that notices under Section 4, Land Acquisition Act were served on the notified owners of the properties calling for objection under Section 5 (A) Land acquisitionact. In response, the owner of Door No 62, Sri D. Narayana Gowda, presented an application on 22-7-53 raising objections and stated as follows -

1). This property is the only means for his maintenance of life in Bangalore City He will be put to lot of hardship if the portion of the property is acquired

2). He is much surprised to see how the portion of his property is being selected for acquisition for widening the Road as there is practically no relationship between the road to be formed and his property

Then I inspected the spot on the 25th August 1953 along with the Corporation Engineer and decided to acquire the area of land as already notified in the Gazette The party was also present at the time of inspection and he was convinced on the above objections raised by him in this behalf. He demanded high rate of compensation for this property which would be considered at the time of passing an award The Amildar (Mxxxxx Muzarai Officer) did not file any objection on other items Nos. 2 and 3.

p t o

The draft final declaration statements have been prepared, on the basis of the preliminary notification and the same are herewith enclosed for favour of arranging publication in the Official Gazette.

The estimated cost of acquisition amounting to Rs.4,018/- will be met out of the Corporation funds in the current Year's Budget allotment.

I request that sanction of Government may kindly be obtained for the acquisition authorising me to take order of the acquisition of these properties under Section 7, Land acquisition Act
